SUMMARY

Computer Science graduate with strong foundation in programming, data-driven problem solving, and digital technologies. Experienced in developing and delivering projects using Python, Java, and MySQL, with hands-on research in machine learning and software development. Demonstrates strong analytical thinking, ability to work independently and in cross-functional teams, and experience generating insights and solutions. Proven leadership and collaboration through student organizations. Eager to contribute to project deliverables and gain hands-on experience in a dynamic, technology-driven environment.

SKILLS

Programming Language & ML	Web & Database Management	Leadership & Organizational Skills
- C/C++ - Python - Java - TensorFlow / Keras	- HTML - CSS & Java Script (Basic) - PHP (Laravel) - SQL / MySQL	- Effective Communication - Independent Work Ability - Analytical Thinking - Critical Problem Solving

EDUCATION

BSC in Computer Science & Engineering Varendra University, Rajshahi.	CGPA: 3.91	2022 – 2025
Higher Secondary Certificate (HSC) Examination Shahid A.H.M. Kamaruzzaman Govt. Degree College, Rajshahi.	GPA: 5.00	2018 – 2020
Secondary School Certificate (SSC) Examination Shiroil Govt. High School, Rajshahi.	GPA: 5.00	2013 – 2018

PUBLICATIONS

• An Integrated Deep Learning Methodology for the Automated Histopathological Differentiation of Lung Throughout Colon Cancer.	Book Chapter BIM Springer Nature 2026
• A Deep Transfer Learning Approach for Automated Brain Stroke Detection and Classification.	Conference ICCIT IEEE 2026
• Detection and Severity Classification of Diabetic Retinopathy from Fundus Images Utilizing Deep Transfer Learning.	Conference ICCIT IEEE 2026
• Skin Disease Detection and Classification of Actinic Keratosis & Psoriasis Utilizing Deep Transfer Learning.	Journal VIJIR 2025
• Automated Detection and Classification Method of Brain Tumors Using CNNs and Deep Transfer Learning.	Conference QPAIN IEEE 2025
• Skin Disease Detection and Classification of Actinic Keratosis & Psoriasis Utilizing Deep Transfer Learning.	Conference UCICS 2025

WORK EXPERINECES

- **AI Data Processing Contributor (TTS & Text Review) — Fixensy Ltd.** **May 2026**
Contributed to **Hindi and Tagalog Text-to-Speech (TTS) Recording and Text Review**, ensuring high-quality multilingual AI training data.
- **AI Data Annotation Specialist (TTS, QA & Text Review) — Fixensy Ltd.** **June 2026**
Performed **English TTS Annotation, Quality Assurance (QA), and Text Review**, ensuring annotation accuracy and maintaining high-quality AI training data for speech recognition and text-to-speech systems.

PROJECTS

- **School Management System:** Developed a web-based **Laravel (PHP)** system for managing student records, classes, attendance, results, and role-based user access.
- **Hotel Management System:** Developed a **JAVA-based** application to manage tasks like room allocation, bookings, guest check-in/check-out, billing etc.

AWARDS

- **Champion — ProCon 2025:** Secured 1st place in **Idea Showcasing with Poster Presentation** at the IEEE International Professional Activities Congress (**ProCon 2025**).
- **Champion — VUIRF 2025:** Awarded 1st place in **Research Poster Presentation** at the Varendra University Interdisciplinary Research Fest - 2025 (**VUIRF 2025**).

LEADERSHIP EXPERINECES

- **Founding Member & General Secretary — Varendra University Science Club (VUSC)** **Jan 2025 – Dec 2025**
Formed and led a 40+ member science club, organized major events and fests while supervising all operations being a GS.
- **Team Coordinator — Hult Prize at Varendra University** **Nov 2024 – Sep 2025**
Managed a 50+ organizing team and 200+ participants, contributing to a top 7 campus round in Asia.
- **IT-Executive — Hult Prize at Varendra University** **Nov 2023 – Oct 2024**
Handled technical problem identification and solution implementation, ensuring smooth management and event execution.
- **Campus Ambassador — Chittagong University Scientific Society (CUSS)** **Jan 2025 – July 2025**
Promoted initiatives and expanded student engagement through active outreach.
